AutoCAD 2016 is a professional computer-aided design and drafting software which is designed to automate the process of creating high-quality drawings. It has a powerful line feature to create perfectly straight, natural-looking lines, and an intuitive parametric tool for easier working with curves and surfaces. It also offers BIM support, with 3D modeling, documentation and coordination. It includes advanced features such as multi-view editing, powerful dimension creation tools, drafter templates, and powerful drafting tools, such as surfaces, hatch patterns, and styles. AutoCAD can also be used for developing and publishing 2D and 3D drawings. #1 Keygen Autodesk AutoCAD 2016 SP1 64bit AutoCAD 2016 is a professional computer-aided design and drafting software which is designed to automate the process of creating high-quality drawings.
